.. "IRISH (DEFANGING) RESOLUTION"
DECLASSIFIED

The Security Council

1. Calls upon the nuclear powers immediately to render non-operational all offensive nuclear missiles at bases outside their own national territory; and to halt any construction or development of such weapons at overseas bases.

2. Authorizes and requests the Acting Secretary General to place UN observers immediately at all such bases to ensure that all such weapons are and remain non-operational.

3. Calls upon the ^{heads} ~~members~~ of government of states members of the 18-nation disarmament conference to meet in Geneva and seek urgently to reach early agreement on practical and significant measures of disarmament, including in particular an agreement to halt nuclear weapons tests and measures for the dismantling of nuclear missile bases outside the territory of the nuclear powers.
